THE BANGOR DAILY WHIG AND COURIER

For 1880

Commences the Forty-sixth Volume with the New Year, with all Departments fully equipped and prepared to maintain the prestige of one of THE LEADING DAILY PAPERS OF NEW ENGLAND. Both DAILY AND WEEKLY COURIER will like to compete with all the Associated Press, and has an extensive corps of correspondents throughout the State. The Publishers aim to make it in all respects a

First Class Family Newspaper,

devoting care to the preservation of such tabling matter as serves and interests the whole household, and to the publication of such current news and literary matter as will be found instructive, entertaining and free from objectionable features, with original and selected literary, and other matter attached.

Its Regular Reports

will give the proceedings of Congress and the Legislature, together with an abstract of the daily doings of whatever interest occurs at the capital.

IN THE POLITICAL FIELD

the WHIG AND COURIER will continue to advocate and support the Principles of the Republican Party, with a showing of its independence, in the highest and best sense of the word. Partisan and offensive personalities will be rigidly excluded, and firmly maintaining what they believe to be right, with strong convictions and under the influence of the Christian religion, they will be found in the front rank of the battle. The Temperance question and the encouragement of home industries will receive the earnest attention of the Editors, and every effort will be made to render the paper a welcome visitor to the family circle.

Subscribers throughout the Country—in the Provinces—will find The Weekly Year of its Age published weekly. Address

FRIDAY, JANUARY 30, 1880.

BY TELEGRAPH.

THURSDAY'S LEGISLATIVE PROCEEDINGS.

FUSIONISTS TAKE THEIR SEATS.

Many Matters of Importance.

Democrats Who Have Spoken Their Names to the Republicans.
[SPECIAL TO THE ADVERTISER AND COURIER.]

AUGUSTA, Jan 29 Among the Democrats who took their seats today in the Legislature were Messrs Dudley of Jonesboro Ingalls of Wiscasset, Knowles of Lincoln, and several others of the New Members will take their seats Talbot, Dill of Minot, and Morrison of Biddeford the two previous holdovers worthies, Temple of the house and other Fusionists of both branches met as well known faces gone home, and declare that they never will take them but will hold out to the end. Among the Fusion Senators who took their seats to-day were Putnam, Barker, Atwell and Rogers of Penobscot The other Fusion Senators who were at their seats were Rankin of Oxford, and Perry of Somerset Putnam and Atwell each rose to a question of privilege to introduce a preamble reciting that Hon Benjamin Hale was in jail, and to day after a brief absence

Appointments Sent In.

The governor has sent in the names of Dr Proctor Tuttle of Augusta to be a member of the Insane Hospital Committee, who succeeds the late Dr Bryant that the term containing the date of the Insane Court had not been specified on the way, as stated by one of the reporters of the Boston Herald who copied and has since so understood to be Stephen Jenkins of Bangor

Maine Legislature.

Mr Welch, of Bangor, presented the following in the House, which was referred

Whereas, It is of the highest importance to maintain intact the state valuation for the year current, as the basis of taxation, that there should be a full and equal valuation of all property in the State, and to prepare such valuation in such time and manner that I shall have upon the subject possible for a legislative committee to ... during the session of the Legislature of 1880 and

Ordered, That the Committee on the Judiciary inquire into the legality of taking the valuation of the year current for the ensuing year, taking as the basis as now established, and Committee are further required to examine the acts and resolves of 1879 relating to the basis valuation and report what changes or additions if any are necessary should the present basis of valuation be taken as a basis of taxation for 1880 and report by bill or otherwise.

Mercantile Mutual Co.

A large number of petitions were presented in the House to-day among which we see from Thomas N. Hersey and others, for an amendment of the charter of the Mercantile Mutual Company, so as to provide for a decrease of policies.

Bangor Water Asset

Mr Hatch of Bangor, presented in the House to day a petition from that city for an amendment of charter and water rates, which was referred to the Judiciary committee The amendment provides for the choice of assessors for one, two and three years filling the vacancies each year, and so as to allow the town of Brewer to take water from Bangor.

The Mermaid.

In the House to day a petition was presented asking that Daniel H Owen, of Addison Geo. F Shanell, of Oldtown and some dozen others be incorporated into a body politic and corporate forever under the name of "The Penobscot Valley Cornet of Bands and State of Maine Branch of the Drudon University of America for the purpose of promoting literature art, science, medicine, philosophy and other branches of knowledge and industry according to the graded and open courses curriculum of the Bards

Ward Residences

Mr Green, of Portland, presented in the House to day a bill to amend the statutes relating to the removal of electors from one ward to another, which provides that in all cases having no more than one thousand legal voters therein voters shall have their rate of residence expended from thirty to sixty days

Mr Green said It will be perceived that this act, which has been introduced, is solely really the provisions of the Revised Statutes at a new stands, with the exception of extending the time of residence, as a ward from thirty to sixty days. The time of residence which a voter is required to have in a town is three months The time of thirty days is so short that it opens the door for fraud, and persons may merely for the purpose of voting and no other may drift about from one ward to another, and immediately after these vote is deposited may return to the ward where they live, thereby opening the door to great fraud. Nobody is disfranchised by the bill no one is prevented from depositing their vote at the election. The only provision in relation to it is, that when a man has not lived as a ward to which he shall remove sixty days that he shall go back to the ward from which he moved in order to deposit his vote There seems to be no hardship at all in it, nobody is disfranchised and nobody is deprived of the right of voting. It is simply fixing the time a sufficient number of days that it may be rendered certain that a man goes into a ward for the purpose of residence and not for the purpose of defeating the provisions of the election laws. Mr Green moved a suspension of the rules in order that the bill might take its several readings.

Mr Brooks of Bethel objected, preferring first to examine the bill.

The House refused to suspend the rules and the bill took the usual course by being laid upon the table to be printed.

Pension Agent.

It is proposed to abolish the duties of pension agent and transfer them to the Adjutant General's office. Also to abolish the Commissioner of Fisheries.

Finally Passed

The act relating to the State seal, public documents and records, and to certain public officers was passed finally to-day and sent to the Governor.

Ellis Treasury Stocks.

The Senate Treasurer Wells has finally given permission to the finance committee to examine his accounts and books, and they entered upon the work this afternoon. It will take nearly a week.

The subjoined committees were appointed in the Executive Council to-day: Col. ... in House, in Chairman of the Committees:

Caution.

A WORD TO THOSE WHO USE POROUS PLASTERS. It is a universally acknowledged fact that

BENSON'S CAPCINE POROUS PLASTERS ARE SUPERIOR TO ALL OTHERS.

The error deemed for them has led to a number of unscrupulous parties to make and sell worth less imitations under the name of Capcine or counterfeit. As the market is flooded with Inferior plasters of this name, it is important to the consumer to know which is the best. It is well known that a Porous Plaster to be of benefit to the wearer should not contain injurious ingredients which irritate the skin, causing eruptions of a dangerous and offensive character.

BEWARE OF WORTHLESS Pretended Capcine plasters, Non York. PRICE 25 Cts. each.

BENSON'S CAPCINE POROUS PLASTERS are the best. Examine carefully and see that the word CAPCINE as each plaster is correctly spelled.
